- SAS Enterprise DI Server
- SAS Enterprise BI Server

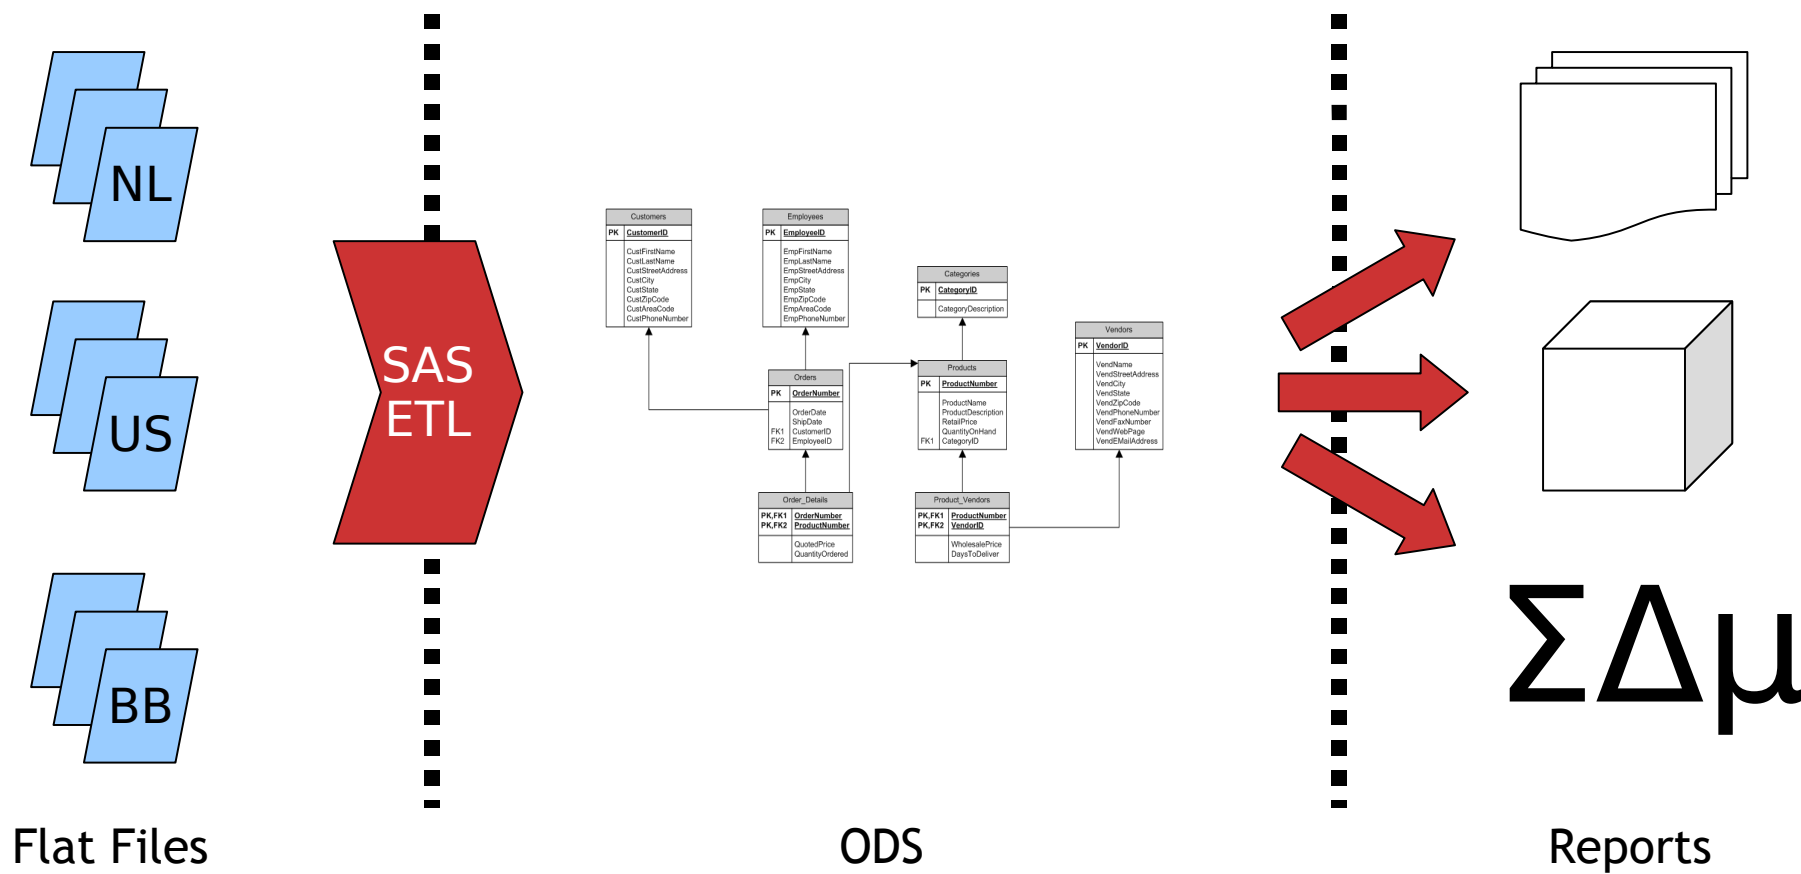

The project *Eagle Phase Out*

Before situation:

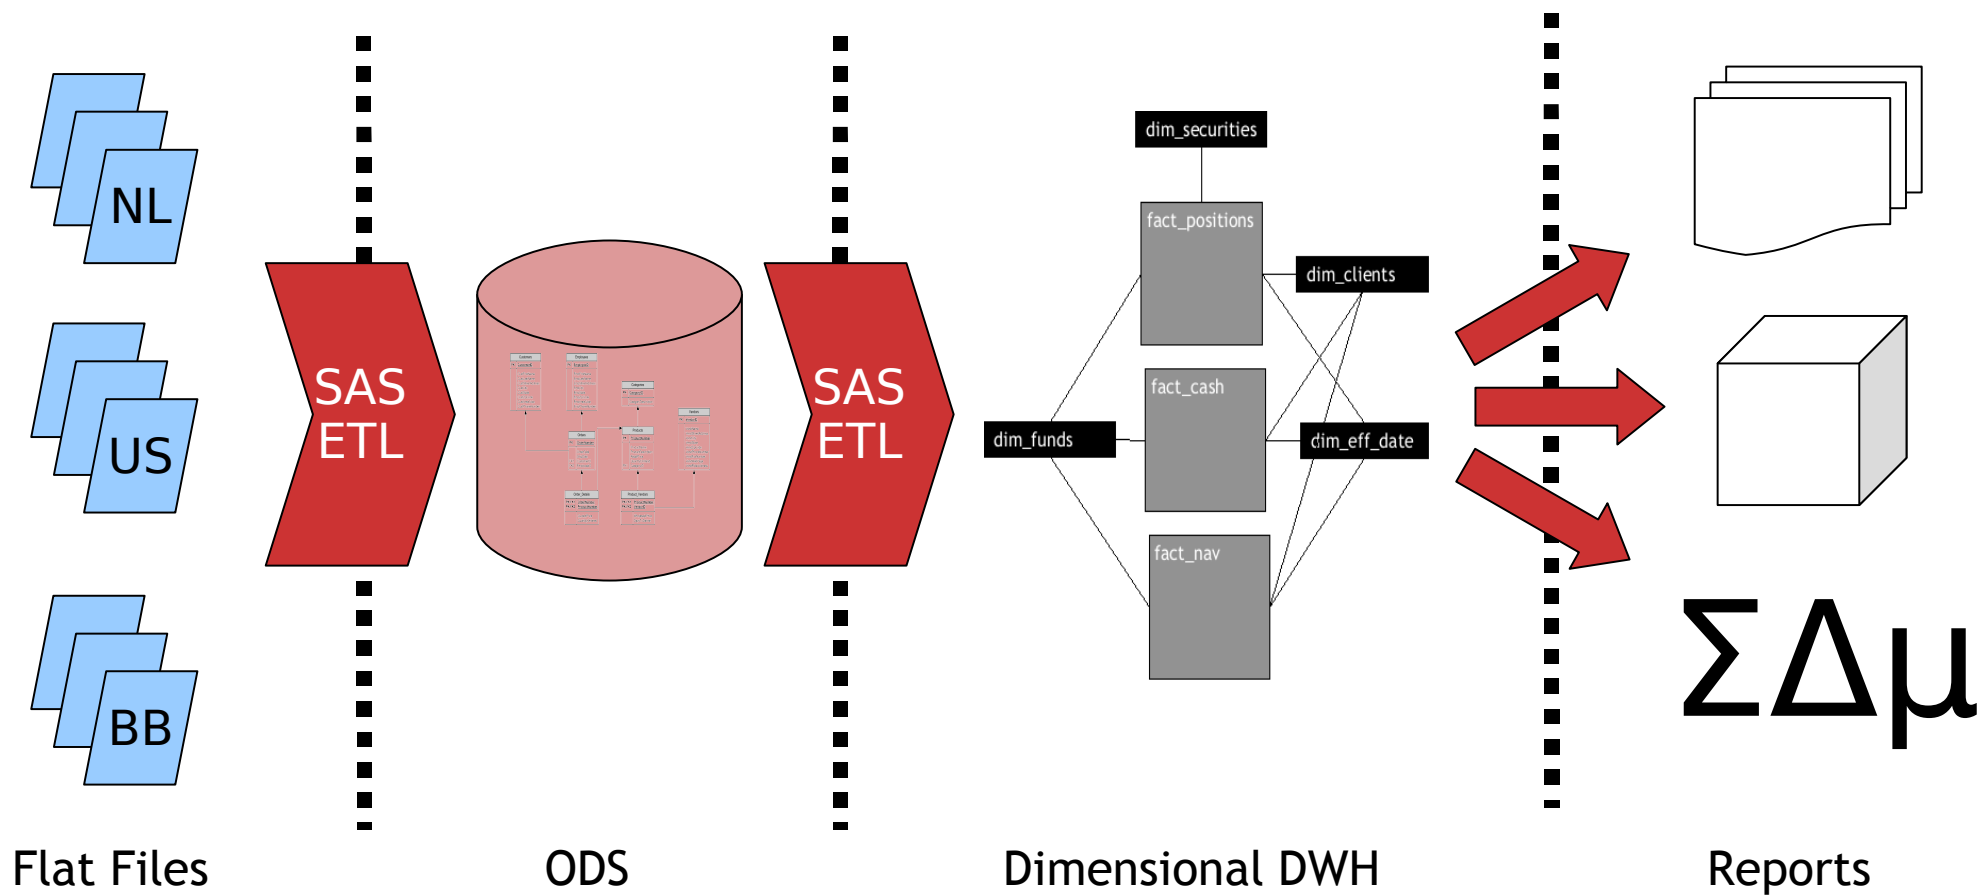

The project *Eagle Phase Out*

Desired situation:

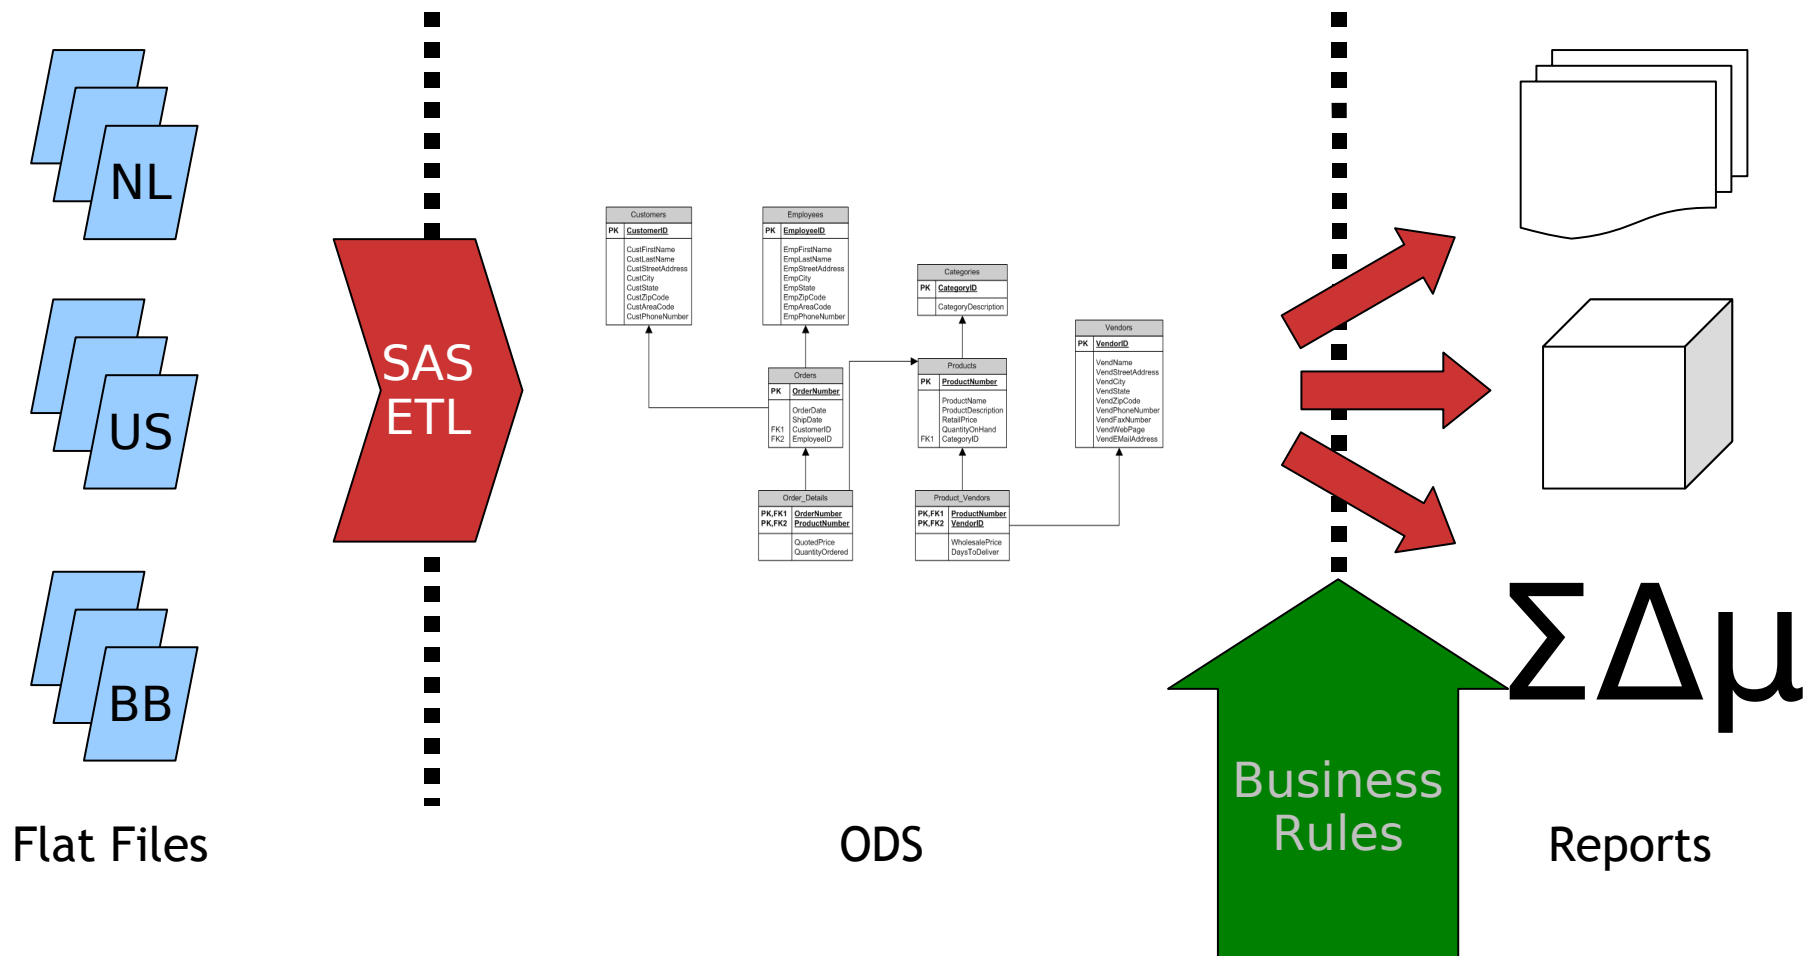

The project *Eagle Phase Out*

After situation:

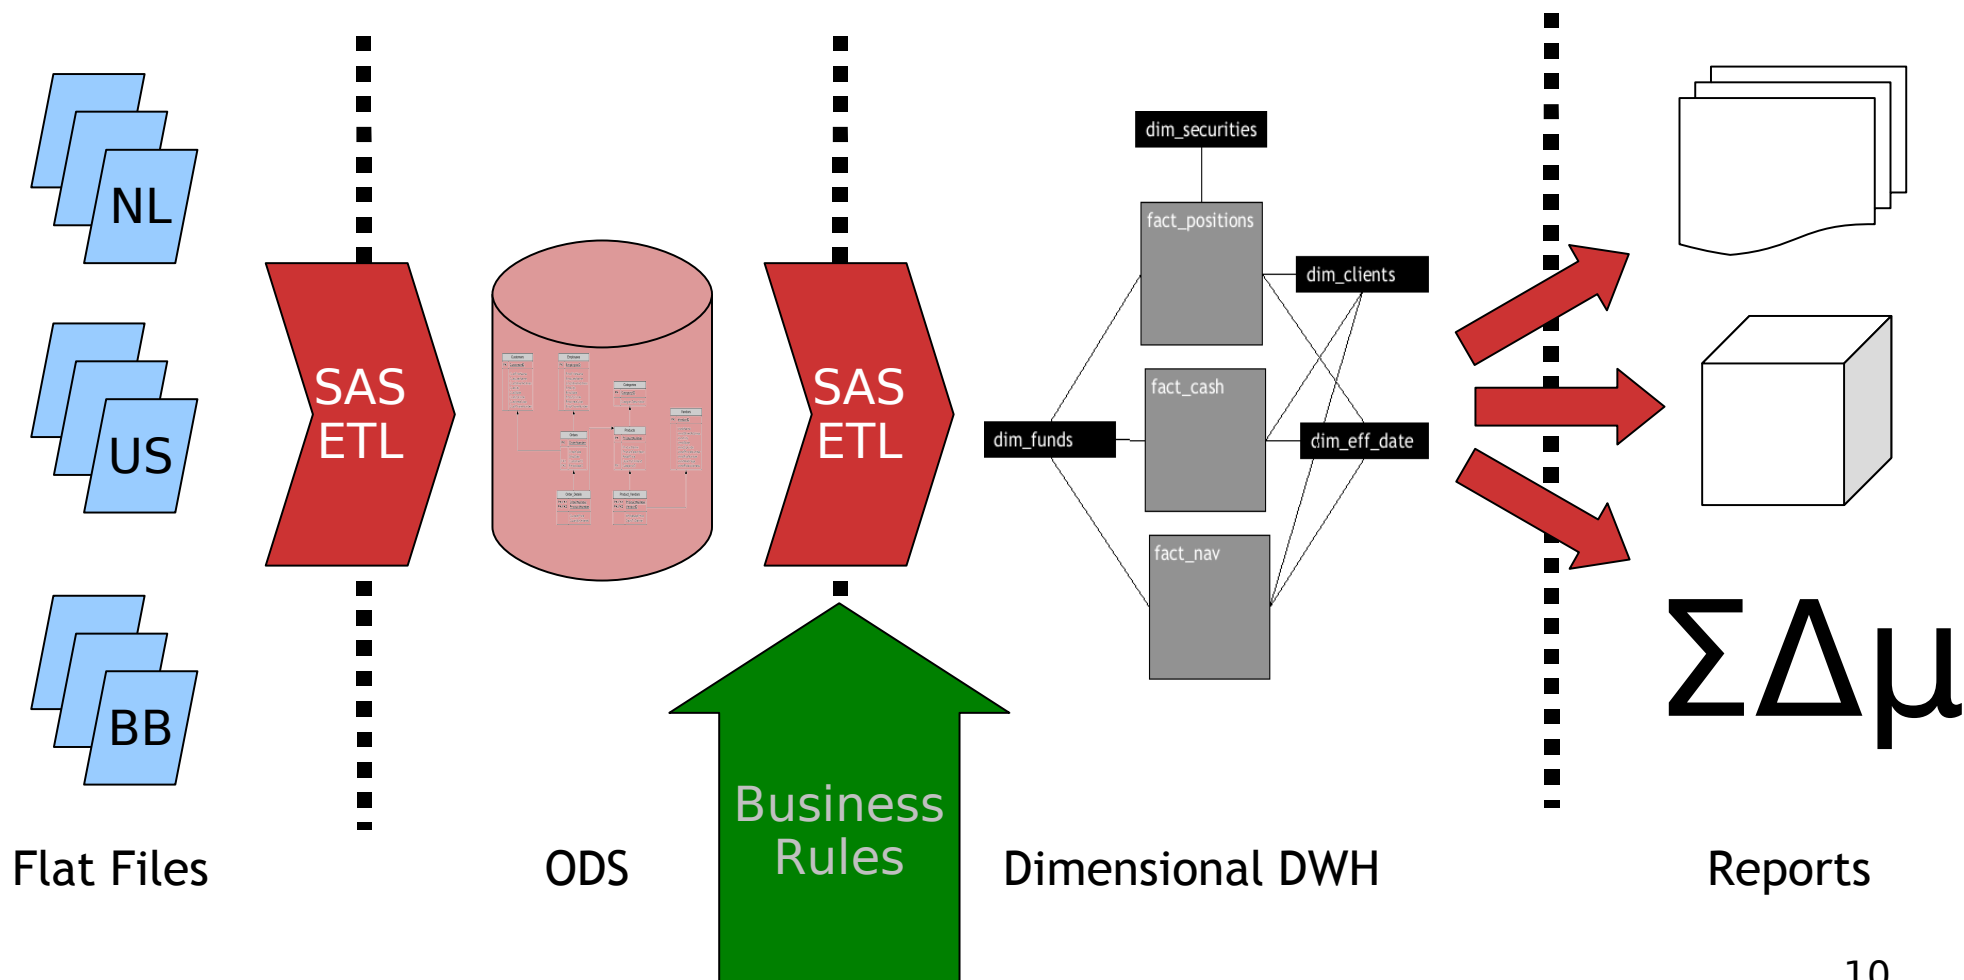

The project *Eagle Phase Out*

Desired situation:

The project *Eagle Phase Out*

After situation:

The project *Eagle Phase Out*

- New methodology:
 - Star Schema's
- Organisation slowly gets used to consequences
 - not having everything anymore
 - not being able to do everything anymore
 - independence

The project *Eagle Phase Out*

- Results:
 - On time
 - Within budget?
 - Eager client
 - Changes take time but the increase in value becomes clear
